# CBD NSIT SILICON CORRIDOR INTERNATION IN

### CEO MOSSAGO

At CBD Punjab, we're redefining urban development through innovation, inclusivity, and economic impact. We're not just building infrastructure — we're engineering opportunity. Every project is a future-ready ecosystem: sustainable, smart, and scalable.

mran min

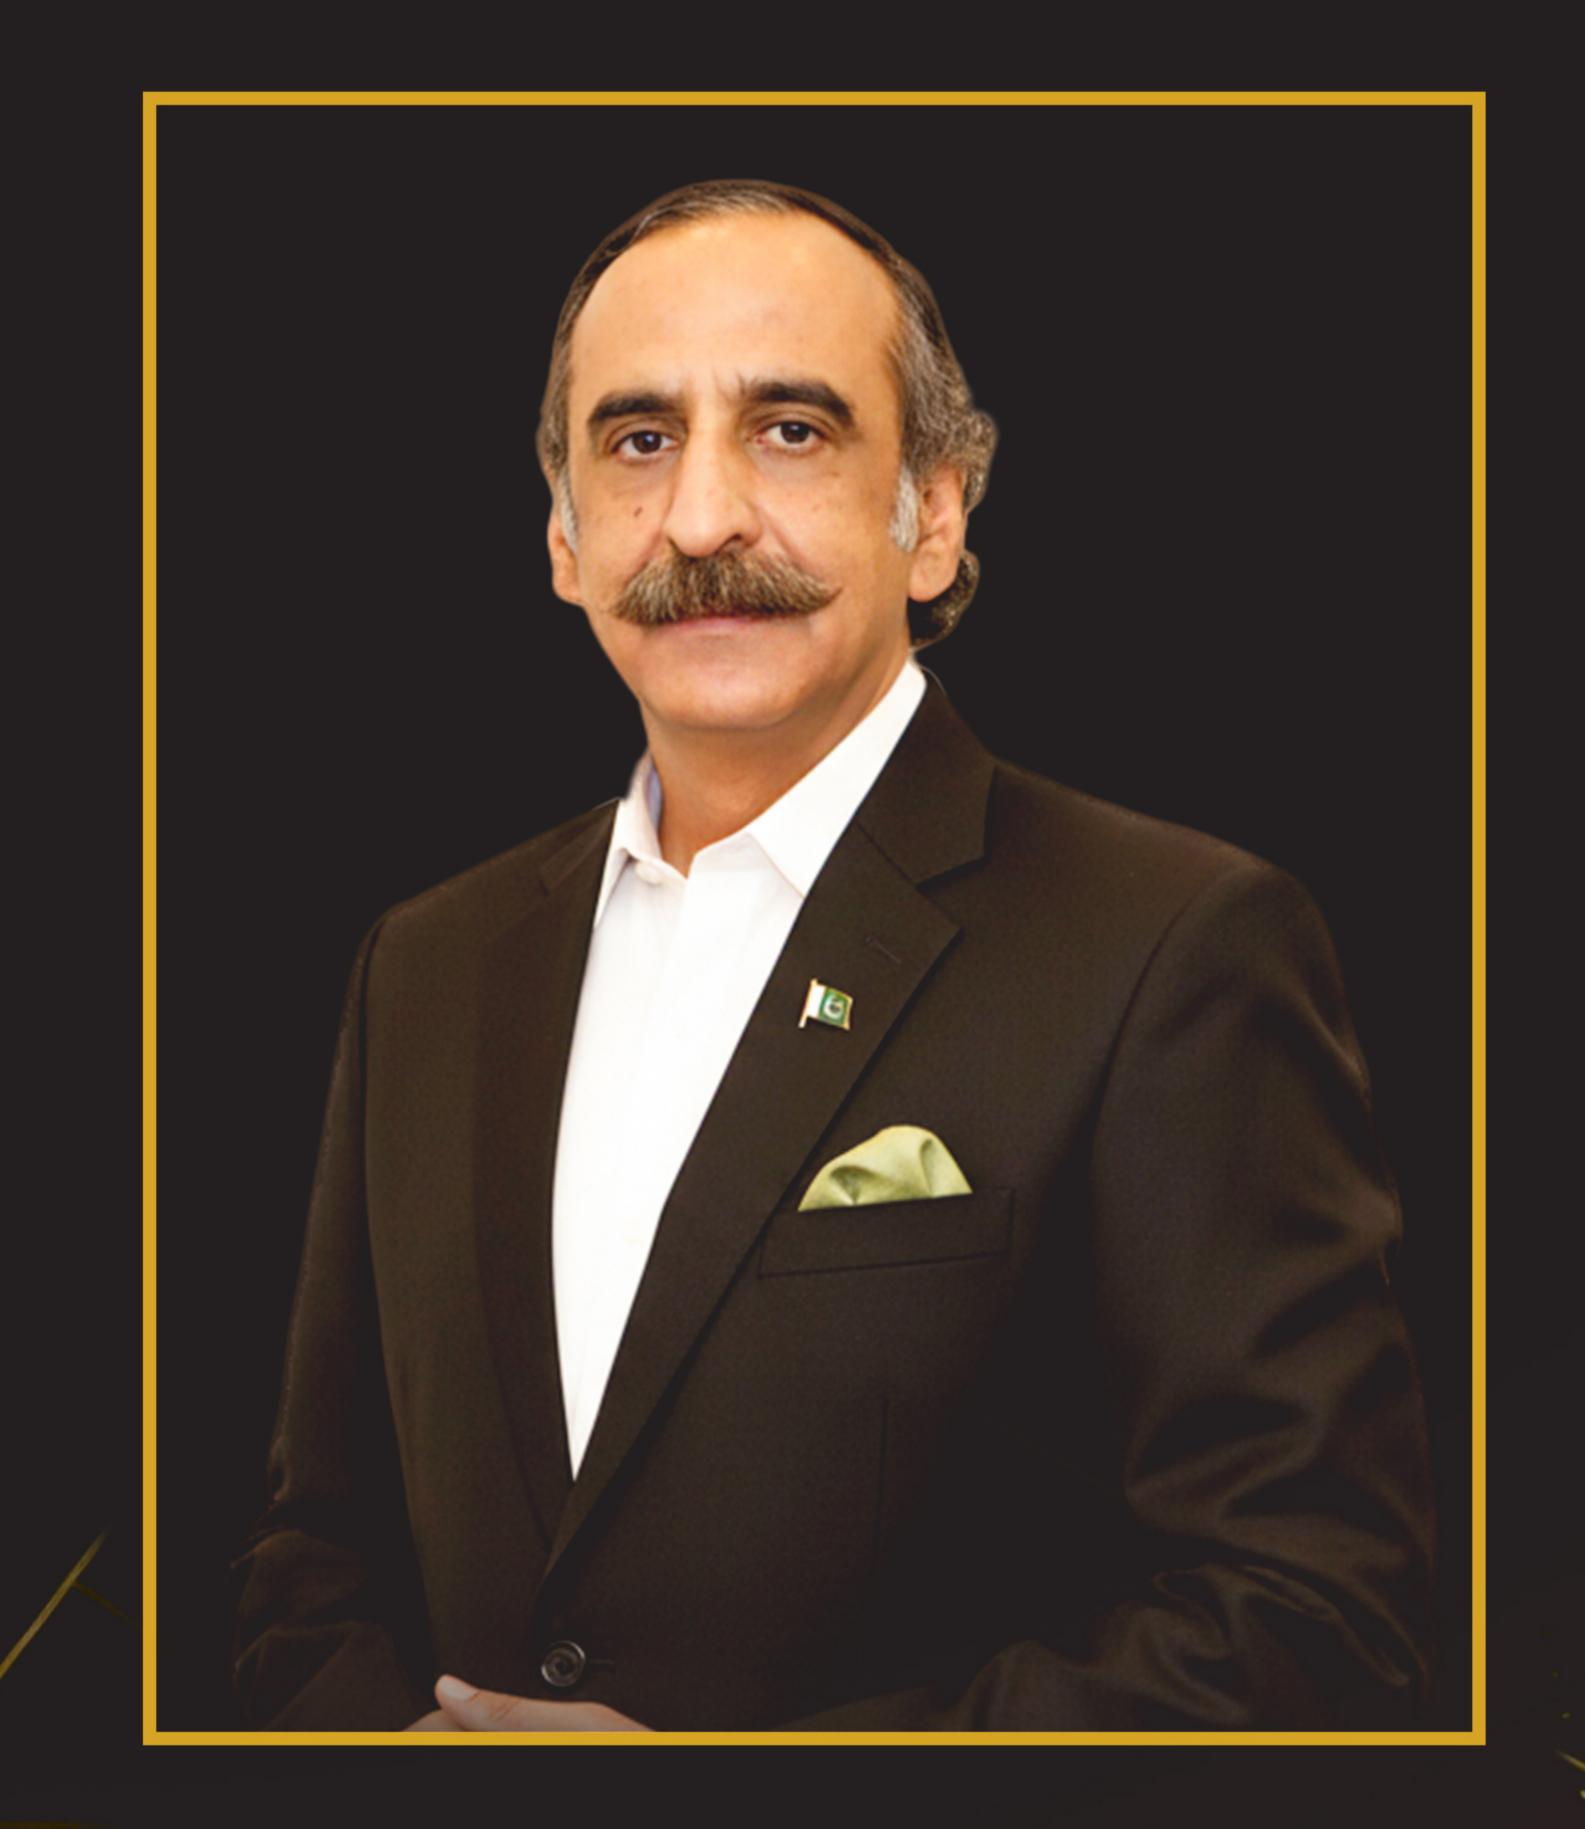

### COOMESSAGE

Our vision is rooted in inclusive progress and purposeful execution. Through efficient, transparent, and future-focused practices, we're building environments where business, innovation, and quality of life thrive together.

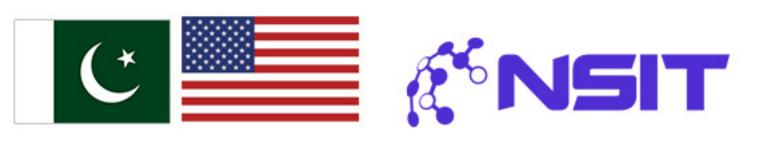

Brig (R)

Aunjua

# 

### Strategic Location:

Adjacent to Lahore's Allama Iqbal International Airport, close proximity to Lahore Ring Road, Motorways, National Highways, and major urban centers.

### STZA Licensed:

Officially granted the Zone Developer License from the Special Technology Zone Authority (STZA).

### State-Led Backing:

Supported by Government of the Punjab, CBD Punjab, and aligned with the national Special Technology Zones Authority (STZA) vision.

### Smart-City Infrastructure:

Equipped with cutting-edge urban planning, digital connectivity, sustainable solutions, and built-in resilience for future growth.

### Ease of Doing Business:

Transparent policies, investor-friendly regulations, and a one-window facilitation center to simplify processes to accelerate growth.

Workforce Advantage:
Access to Pakistan's large, skilled, and tech-savvy talent pool, ready to drive digital and industrial innovation.

### Clean Green Energy:

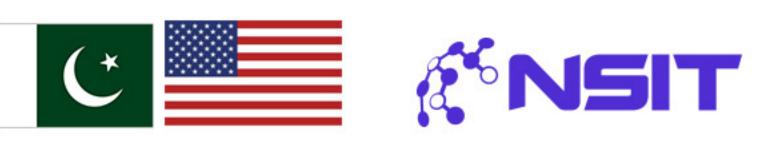

Commitment to renewable energy solutions, ensuring a sustainable and eco-friendly environment for businesses.

### Global Accessibility:

Positioned as a gateway to regional and international markets, offering unparalleled opportunities for cross-border partnerships and growth.

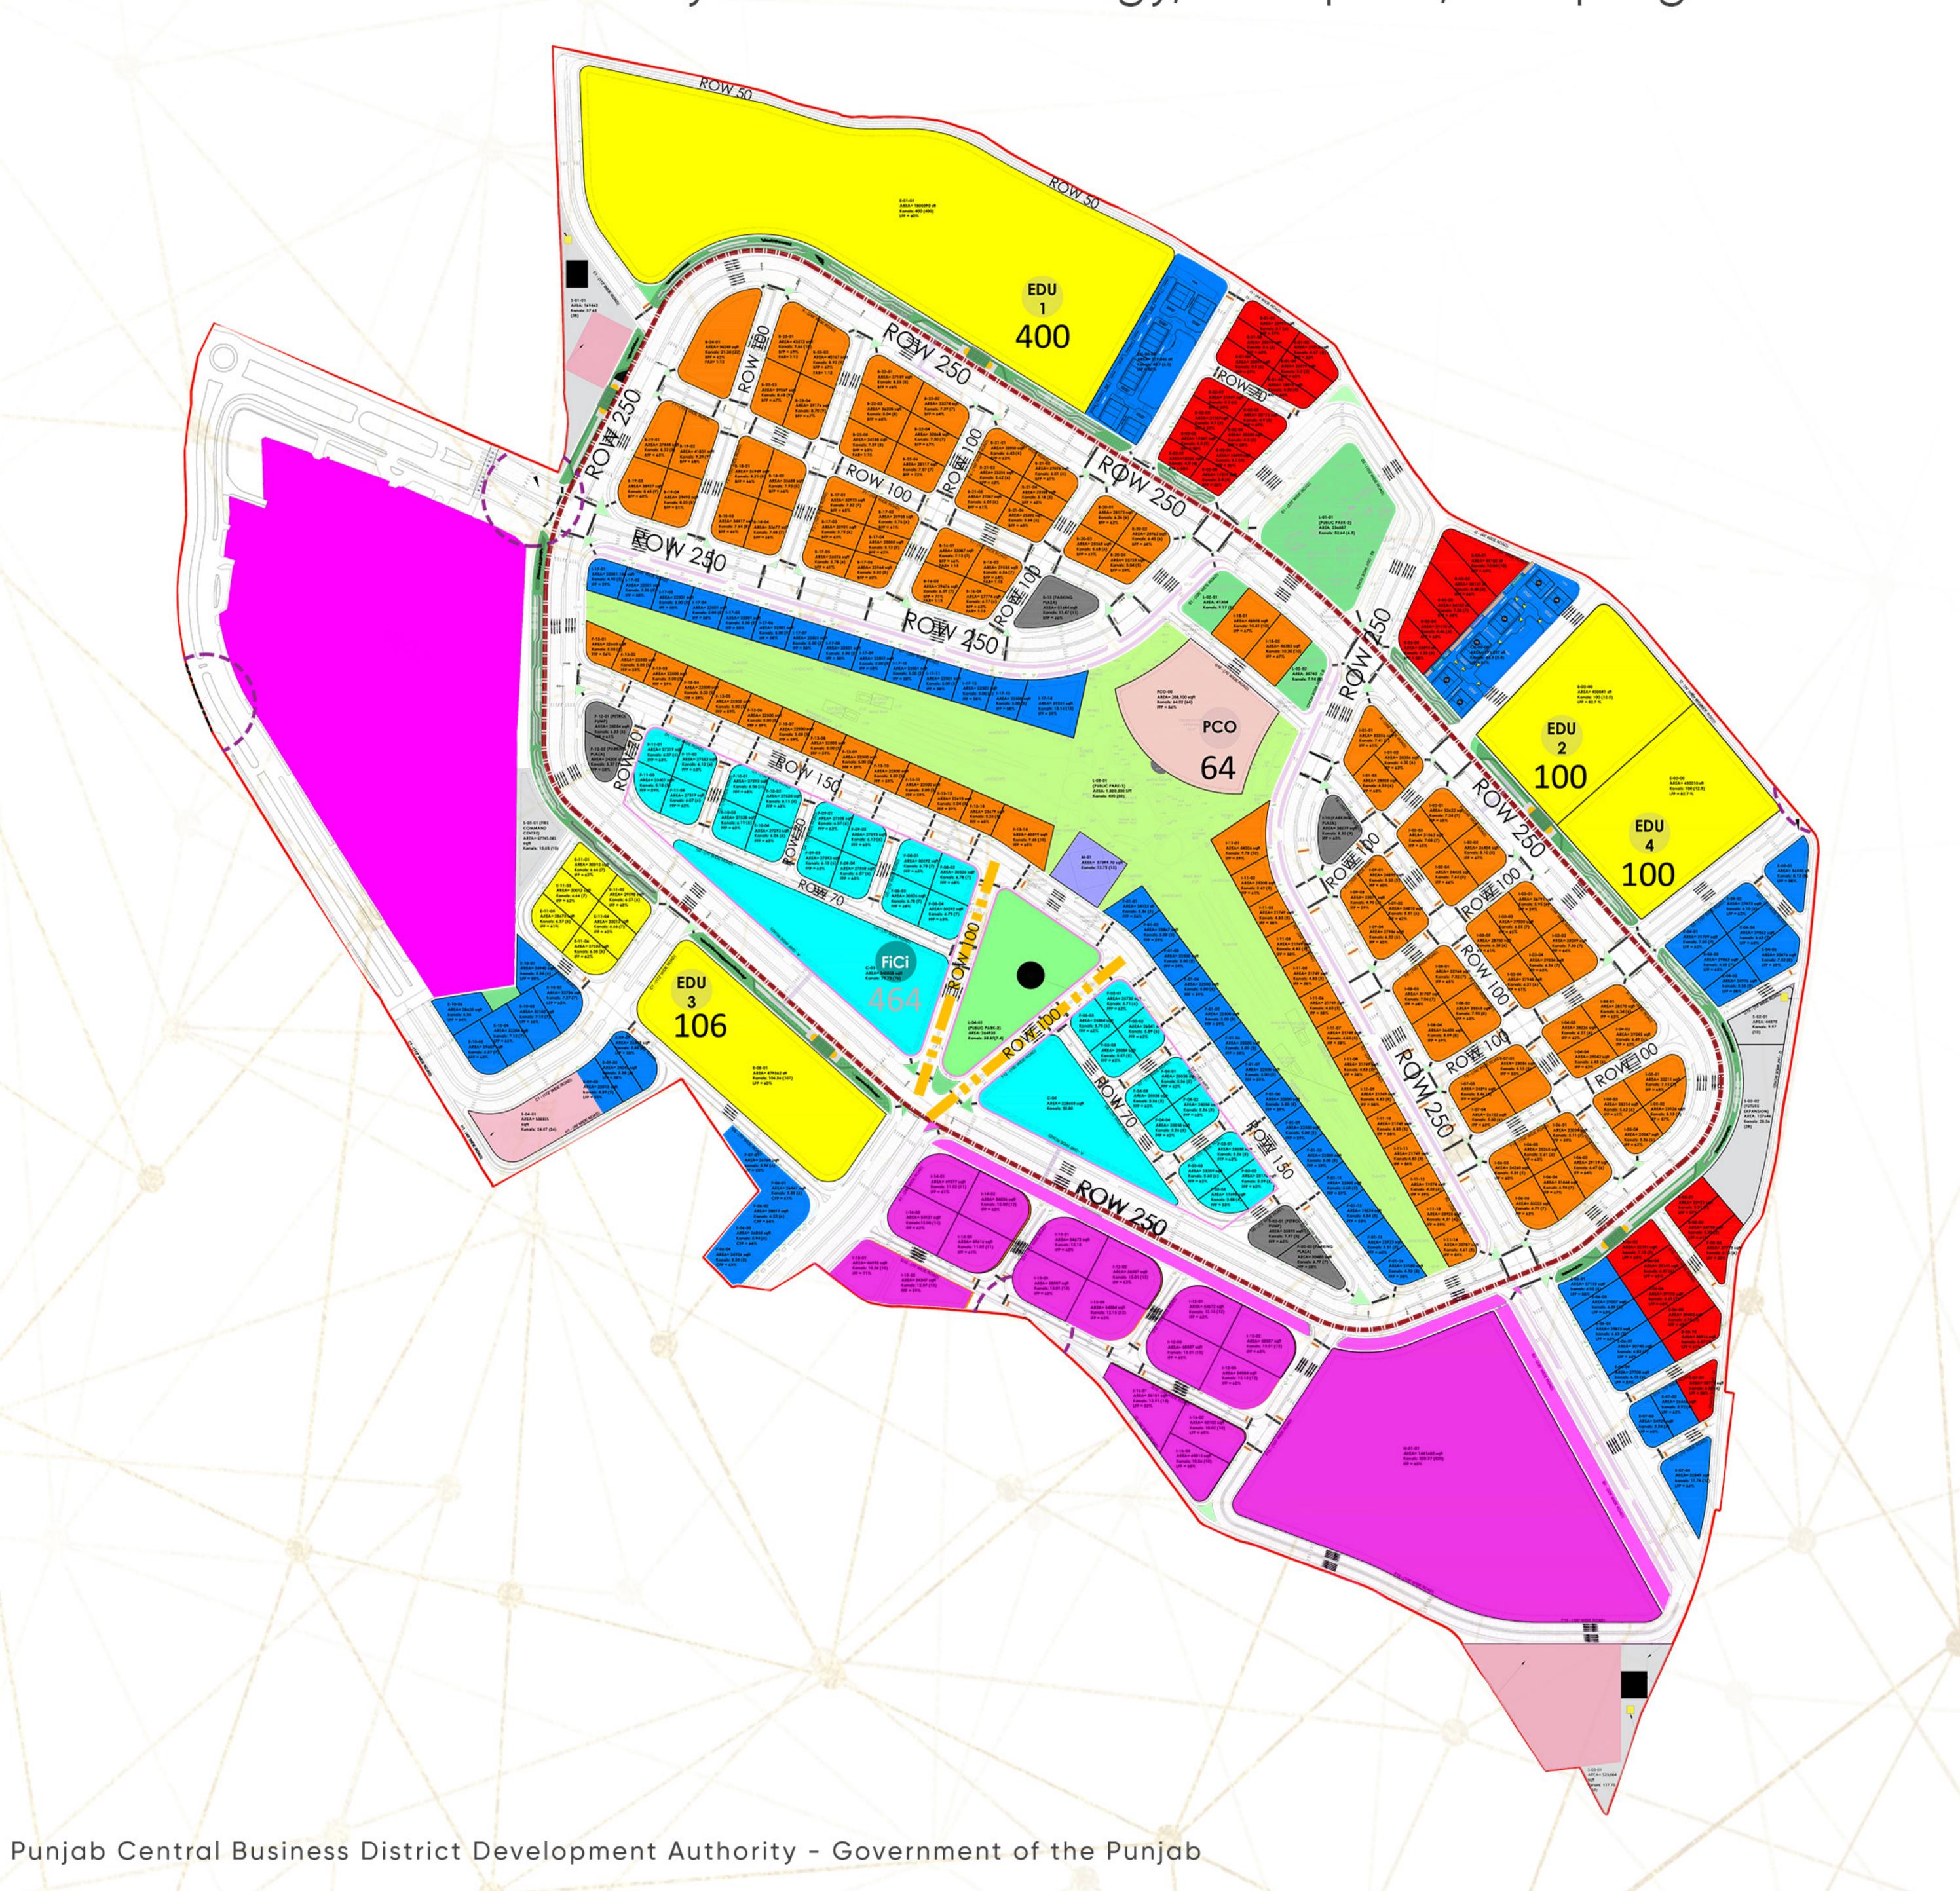

### WHAT'S ALREADY ACHIEVED

BUILDING TRUST. DELIVERING IMPACT.

A transparent beginning with 25 prime IT plots successfully allocated through open balloting.

Home to leading IT firms, startups, and global brands shaping Pakistan's digital future. Each partner represents confidence in the vision of CBD NSIT City—to build a world-class ecosystem of technology, enterprise, and progress.

### SILICON BLOCK (PHASEI)

IT TOWER / BUILDING

An STZA-licensed zone launched with strong investor demand, quickly emerging as the preferred destination for global tech giants, fast-scaling startups, and regional headquarters.

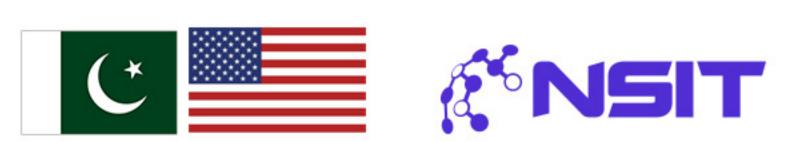

### UNIVERSITY DISTRICT

This district hosts Punjab's first Al university and serves as a hub for international academic institutions. Designed to fuel Pakistan's knowledge economy, it offers dedicated zones for higher education, advanced research labs, and industry-linked talent pipelines, all built within a digitally integrated, future-facing ecosystem.

### AI UNIVERSITY

Educational **Excellence Limited** 

### MEDICAL UNIVESRSITY

(Imperial College Healthcare (NHS Trust), UK)

### 

A flagship digital infrastructure project featuring Pakistan's first FDA-standard digital lab – built for enterprise-scale hosting, processing, and cloud security.

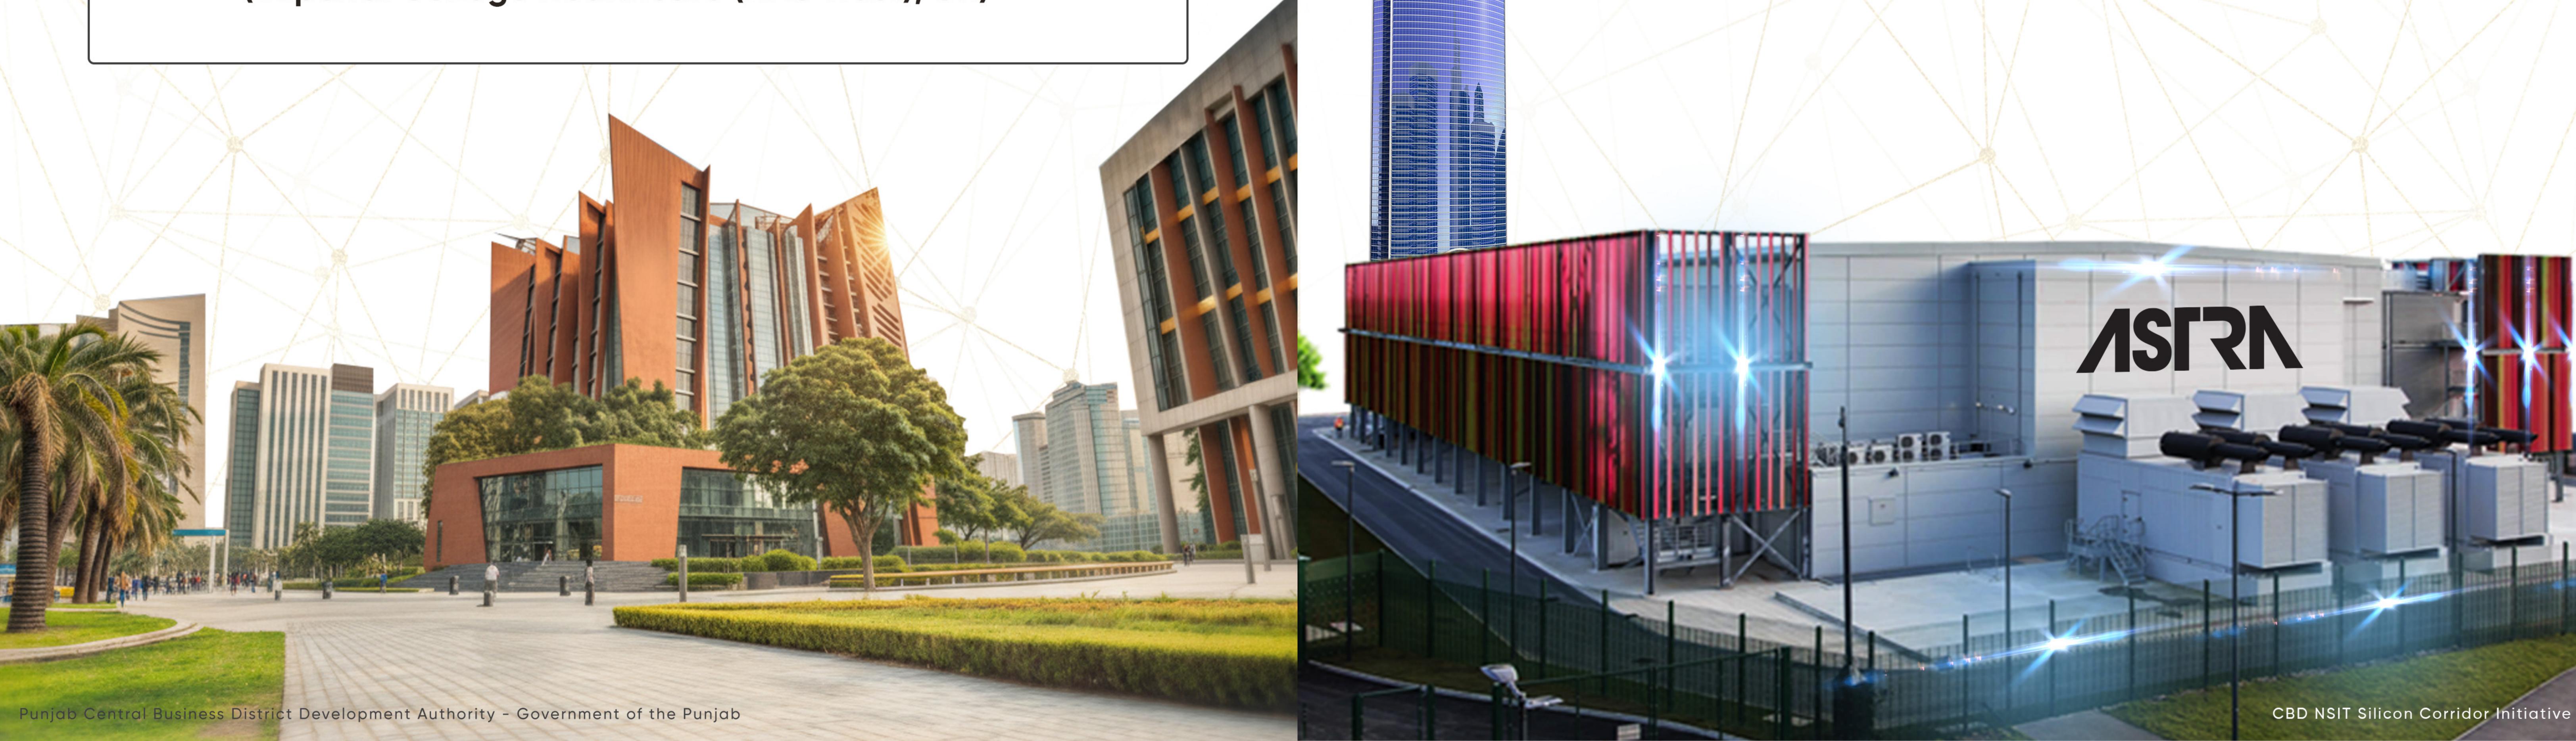

### DATA CENTRE

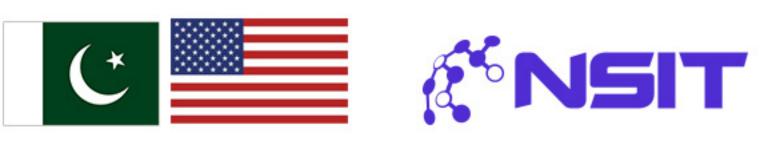

### 

This district emerges as a hallmark of modern planning, offering a rare opportunity to acquire premium land in one of Lahore's most forward-looking urban zone. The nearby public park and commercial zone within walking distance offer added lifestyle and value advantages, creating an ecosystem that integrates smart growth with day-to-day accessibility

RESIDENTIAL TOWER / APARTMENTS

# OPPORTURES

### JOIN THE NEXT WAVE OF INNOVATION

At CBD NSIT City, every project is a gateway to Pakistan's digital transformation. From intelligent infrastructure to innovation-driven workspaces, these opportunities offer a rare blend of strategic location, government-backed facilitation, and global scalability. Whether you invest in cutting-edge data centers, corporate towers, or academic hubs, you're investing in the future of technology in Pakistan.

YOUR INVESTMENT TODAY SHAPES THE INNOVATION OF TOMORROW.

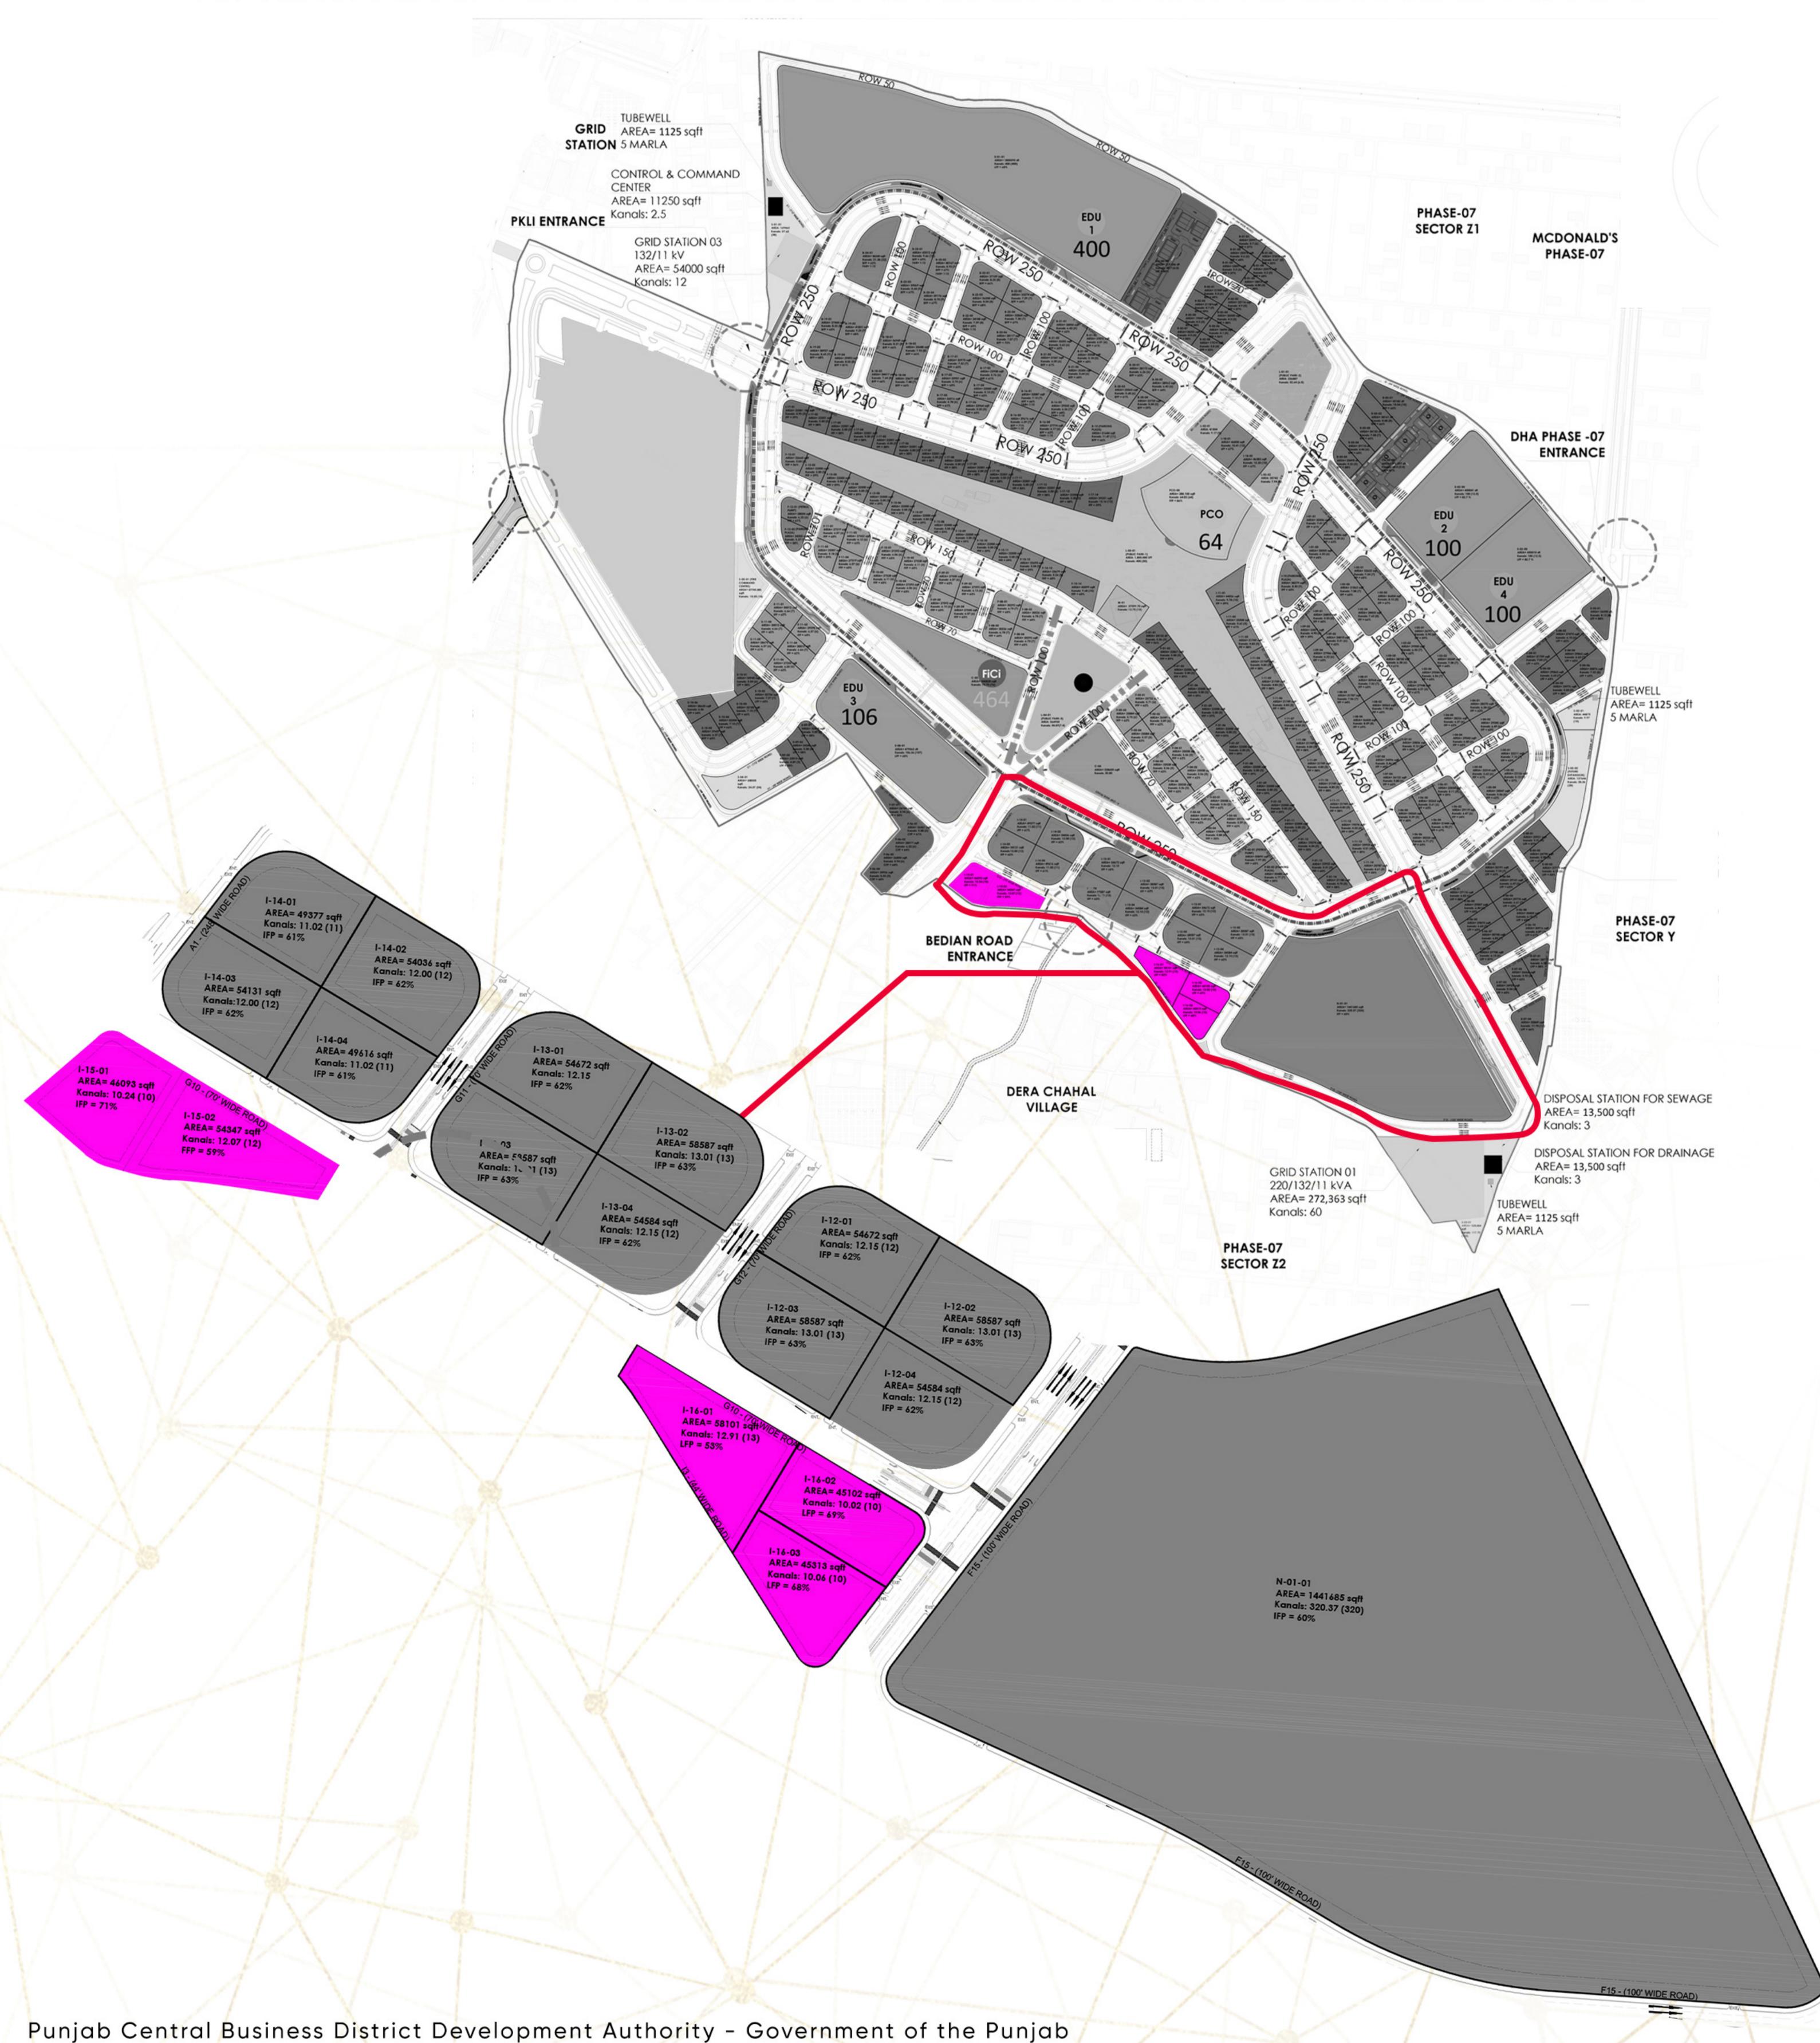

### 

### ASTRA DATA CENTER

BACKBONE OF PAKISTAN'S DIGITAL INFRASTRUCTURE.

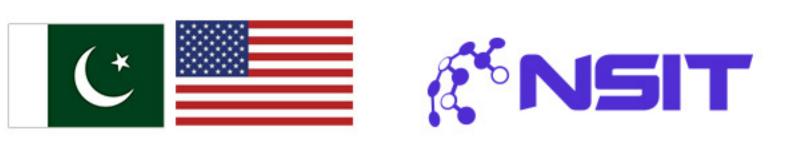

## AVAILABLE OPPORTUNITIES

At Astra Data Centers, the land is priced at PKR 25 million per kanal with PKR 5 million per kanal as development charges. IT companies can avail a seven-year quarterly installment plan, along with a two-year grace period for land installment.

### SILICON BLOCK II

FUTURE-READY PLOTS FOR IT TOWERS AND TECH VENTURES.

### AVAILABLE OPPORTUNITIES FOR JOINT VENTURE (JV)

In Silicon Block-II, selected plots are also available for Joint Venture (JV) opportunities. The JV process starts with land identification and defining inventory sharing, followed by bidding and signing of the Joint Venture (JV) Agreement. Upon necessary approvals, construction begins with transparent fund management through an ESCROW account and regular progress reporting. The Authority's share will be in the form of inventory, with land provided by CBD Punjab and Transfered upon handing over the complete inventory to CBD Punjab of its share as per the Joint Venture (JV) Agreement.
